PREFACE

Following a good responses from the scientific committees regarding our previous JIT editions in the first volume, 2020; we try to keep our motivation and to move forward for a better publication process. It is important to improve the manuscripts as well as publication management times to times.

Our 2nd Volume of the year 2021 will be the most challenging step due to the target for indexing and better recognition in the engineering scientific communities of JIT. This Edition comes with 6 (six) articles from civil engineering, architecture and industrial engineering field. 2021 will be the year for consideration of SINTA - Indonesia National indexing of our journal.

We invite more paper submission from lecturer, post graduate students, scientist, researchers and industrial pactions from the field of engineering, technology application and research innovations. JIT published by Engineering Forum of Western Indonesian Government Universities Board (Forum Teknik, BKS-PTN Wilayah Barat) Indonesia. Highlighting on the current growth in the field of engineering and innovation technology field. JIT committed to contribute for our academic and research competitiveness and sustainable development.

On behalf of Editorial Boards, we would like to thanks all authors, reviewers, and contributors for their continuous supports. We are looking forward for the future issues.

Best regards,

JIT Editorial Team
